

Letterpress Young Reader Interviews

An Interview With Faith (aged 7)

Q1. What are your earliest memories of reading books – do you have a particular book you remember from that time?

I think that I liked Peppa Pig books because I knew the stories from watching the telly. I liked looking the pictures with my daddy.

Q2. What are your favourite kinds of books now?

I like lots of different books. 'Who Let the Gods Out' by Maz Evans is very good because the author came to our school. It is quite sad and also funny and I am really enjoying reading it with my daddy.

Q3. Have you got a favourite author (or two)

My mummy is an author so I do like her, but she writes adult books - her name is Abigail Davies. I think that I like J.K.Rowling, but her books belong to my big sister. I will read all her books when I'm a bit older. I do like Roald Dahl, but I don't really have a favourite one by him because he is always good.

Q4. How often do you read? Is there a favourite time when you like reading best?

I read at school and every single night when I go to bed to help me have nice dreams. Books are fun to read.

Q5. Are you hoping to build a book collection? How many have you got and what's your prized possession?

I have a rack of books in my bedroom - I have tons and tons of them. At the moment I am really pleased with 'Who let the Gods out'.
