

Letterpress Young Reader Interviews

An Interview With Isla - age 8

Q1. What are your earliest memories of reading books – do you have a particular book you remember from that time?

I remember reading 'We're Going on a Bear Hunt' by Michael Rosen with my mummy.

Q2. What are your favourite kinds of books now?

My favourite type of books now are funny stories or adventures.

Q3. Have you got a favourite author (or two)

My favourite authors are David Walliams and J.K.Rowling. Harry Potter and lots of the David Walliams stories are some of my favourites. I have also just finished the Ottoline series by Chris Riddell and I really enjoyed those.

Q4. How often do you read? Is there a favourite time when you like reading best?

I read every day! In the morning, at school, in the car, at bedtime - even on the toilet sometimes!!

Q5. Are you hoping to build a book collection? How many have you got and what's your prized possession?

I already have a huge book collection! At least 200! Mummy says she has got to buy me another bookshelf for my room! I've got all of David Walliam's books and lots by Chris Riddell as well. I'm collecting the illustrated editions of Harry Potter at the moment. I also love my Beatrix Potter Peter Rabbit box set.
